Themed Teens

Dear Virgin Territory,

Thank you for the wide variety of themed pictorials in the March '13 issue of *18eighteen*. When I jerk off, it really helps me to picture a scenario, whether it's fucking at the park,

Let Jessi's smoking hot bod inspire your every teen fuck fantasy.

sneaking a quick blow job in a stairwell or elevator, etc.

My favorite set this time around was Jewel. I loved seeing her mouth stuffed with a fat cock. Too bad there weren't too many pussy shots, though.

Jessi's set was also really good and I enjoyed the "sick girl in bed" theme. The photo on page 56 is really sexy. Even though I like when girls look at "me" in the magazines, I also like photos where the models have their eyes closed. When I'm fucking my girlfriend, I like it when she closes her eyes so I can try to picture who she might be thinking about. I like to think about fucking all the sexy girls in *18eighteen* mag while I fuck my girlfriend. -H.H., Salt Lake City, Utah

Dear H.H.,

Themes are lots of fun for us, and we know how fun they can be for our readers! We're sure to have more of these in the future.

Confident Cunnies

Dear Virgin Territory,

I'm a long time reader and masturbator. Your March issue of *18eighteen* had a ton of really cute girls. My favorites were Sindy, Kennedy, Sage, Jewel and Jodi.

First, Jewel was smoking hot in this issue. She has a really good sexual energy and never looks uncomfortable or awkward. Some girls can seem a little too shy. I like when teen girls

Bonus shot of Jewel's smooth pussy for our fan out in Utah.

are confident and show off how they love to fuck and get fucked.

The pictorial of Sindy and Jodi teasing each other made me cum so fucking hard, especially when I saw the pic on page 41. The face that Jodi is making here is so sexy. I wish she would make that face to me in person while I fuck her in the ass real hard.

We love a confident girl that's down to fuck and shows it!

**Luccia likes a good
dicking in her tight,
little brown eye.**

Then after drilling her asshole for hours I would cum on her beautiful face, and I'd watch her lick it off her lips while she smiles.

I love when you have hot teen girls licking and sucking one another. Jodi and Cindy seemed like they had a really good time. They both smile a lot but also make good horny faces in between. Cindy always looks like she's enjoying herself. She's a wonderful model. Feature her more often!

Kennedy seems like a sweet and sexy girl. She's so fit; she looks like she'd make the perfect fuck. I'd want

her to ride me for days.

Sage was also a total natural. I would lap up her little pussy for hours!—D.P., Cleveland, Ohio

Dear D.P.,

We're glad you enjoyed watching Cindy in action. You can see more of her and Jodi in the new DVD, Boned Brats (order on page 9).

We also agree about confident teen girls being extra sexy. Luckily many of our girls are great at shirking inhibitions and showing off their sexuality!

Lusting for Luccia

Dear Virgin Territory,

Luccia is so pretty and natural-looking. Thank you for featuring her in your mag! I only recently became a reader of your mag and am enjoying it a lot. I almost missed Luccia the first time I looked through it, but when I found her, she became my favorite. She's got a really innocent look and her fanny looks absolutely delicious. It was really hot to hear that she likes to do anal and how she sometimes likes it in her pussy and other times her arse. Where can I find more of her? I wish I could taste her beautiful, caramel arsehole.—C.J., Newcastle, United Kingdom

Aspen's Newest Fan

Dear Virgin Territory,

When a friend of mine gave me a copy of your mag, and I saw Aspen with her tight, little pussy, I knew I had to see more. The problem is where I live it's pretty much in the middle of nowhere! It would be great to see Aspen take on a dildo or vibe (not too big) in a photo layout. I'm sure the rest of the readers would like that too! Keep up the great work and keep them young hotties coming.

Thank you! Now your new #1 fan—C.L. Robbins, Alpine, California

Dear C.L.,

Unfortunately we don't have any photos of Aspen using a toy. Our apologies!

A vibe or dildo would look great inside Aspen's tight pussy!

Also, if you're living in the "middle of nowhere" as you put it, you might want to consider a subscription to our magazine so you can have fresh, teen pussy come straight to your mailbox!

and all her raunchy office sex stories in the March '13 issue of *18eighteen*. I loved hearing about her banging her boss. I currently have a secretary at my company that's a hot, little blonde just like Ali, and this was a nice way to live out that fantasy. Her tits would fit perfectly in my mouth, and I can't begin to list the things I would do to that ass of hers. Here's an idea: Ali should work as an intern and go from office to office having multiple affairs and then she can tell us more about the older men she fucked. I would definitely read that, and if she made a DVD of that, I would

buy it in an instant. I would just love to bend her over my desk and cum in that cute pussy.—D.B., via email

Dear D.B.,

We're glad you enjoyed Ali's set in the UK version of our March '13 issue. You can enjoy some more Ali action with the DVDs *Piped Pixies (hardcore)* and *Honey Cunnies (solo)*, both of which you can order on page 9. Be sure to check out the bonus photo of her on page 6.

Hey Alana, what kinds of things do you like to do after a school day?

"I like to ride my bike around, and I have modern dance practice twice a week. When I have some time to myself at home, though, I usually have a little snack, and then I like to play with my cunny and tits to relax. I haven't even been doing it for that long, but I totally love it. I like daydreaming about my teacher a lot and then rubbing my clit around until I cum, but I have to be pretty quiet so my family doesn't hear me and find out!"

**That's pretty hot!
Do you ever put on
a show for anyone?**

"Only once in person to a boyfriend of mine. But sometimes I like to get on those Internet video chat sites and I'll take off my clothes for strangers. That gets my cunny super wet and slick for my toys! I like to tease them first, flash them my boobs and then if I like them enough, I'll strip down completely and start playing with my pussy. Watching guys jack off while they watch me naked turns me on so much. I end up chatting with three or four guys before I finally cum!"

ALANA'S PANTY GIVEAWAY!!

Write us a letter telling us why you want Alana's undies for a chance to win them! Send letters to 18eighteen, 1629 NW 84th Ave, Miami, FL 33126. Send email to letters@18eighteen.com. Deadline for submissions is June 14, 2013.

Would you still consider yourself a good girl then?

“Even though I like to get naked for the computer, I don’t really have much real life experience. I’ve only been with two guys who were both boyfriends of mine, and we didn’t get too experimental. I’m hoping that all changes though, cause I’ve been getting hornier every passing day!”

ASS

ARE YOUNG GIRLS INTO ANAL OR DO MOST STILL CONSIDER IT NO-MAN'S LAND? WE SPOKE TO A FEW FOR WHOM THE ANSWERS TO BOTH QUESTIONS MIGHT BE "YES."

BY PAULINE WORTH

CAPPUCCINO

"That's it, girl! Back it up!" hollers Tanya, encouraging Trinity to shake her money-maker as the bass pumps loud and hard throughout the room.

I can hear the girls cutting loose, enjoying one another's company on the dance floor of this small, Atlanta nightclub. They come from all over: 21-year-old Trinity is from a suburban area just outside Toronto in Canada; Tanya, 25, is a Puerto Rican native who's lived in the New York metropolitan area since graduating from college a couple of years ago; and Ansley is a Georgia peach. She turned 18 last summer.

All three sent me emails a while back. I've convened the girls here (in the city closest to young Ansley) to

give me additional details as to their individual stories and to host an overall discussion on that hot, tight, often-taboo sexual topic: anal.

Let's face it, when it comes to getting off—with young and often inexperienced girls, in particular—booty sex is largely considered the last place anyone gets to plant their flag, if at all. I get letters from young women and the men who covet them all the time (about anal and all sorts of other things), but these three stories struck a chord. Why? Well, for Tanya—a lesbian—this final frontier really is a place no man has gone before. For wild child Trinity, one-on-one ass-play had actually proved too vanilla, so she

Where no man has gone.

added a second man to the mix and upped the ante. And for Ansley, who has solemn and serious plans to be a virgin on her wedding night, anal has become a chosen method of "staying pure."

Yes. I, too, see the irony.

In her email, this recent high-school grad confessed an underlying sex drive to rival any XXX box-cover diva. But she did so with a sweet, innocent sensibility that somehow—when paired with her demure style and

beautiful, petite gymnast's body—made perfect sense.

I touch myself at night, she wrote me, confessing all manner of delectable, devilish thoughts.

I think about my English teacher, the one I've had a crush on since 9th grade. He's a good man, with a wife and children and he would never do anything so crazy as to hook up with a former student. Of course, maybe that's part of the reason I like him. Well, that and his insanely hard body and the bulge I have seen in his khakis when he wears them just so! I imagine being with him would be amazing. I think about his small beard tickling the insides of my thighs just before his tongue slips between my cunny lips, him turning me over and licking all around between my cheeks, working the tight hole with his thumbs before whispering in my ear, kissing my neck and slipping his thick cock inside...

Heavy stuff for a girl who sings in her church choir every Sunday and won't wear a dress that goes above her adorable, creamy knees, isn't it?

For a few years now, she's been dating a boy from that same church: Jimmy. It began quite innocently.

"My daddy and his daddy knew each other and sometimes we'd go to their house after church for a barbecue. The grown ups would watch football and talk work while all the kids would throw a ball in the backyard or whatever. Jimmy was tall and cute and built and very respectful. No one minded when he started taking me out to movies, and he always had me home on time. We started kissing and petting and things in his car, but he never pushed me to do anything wild—even though I could feel and see his thing there in his pants, about as rock-hard as anything could be. The first time I let him stroke my cunny through my panties, I touched him through his pants. He gasped, kissed me real hard, and then I felt him cum. His underwear got even wetter than mine did when he'd touch me. We sat there after

and laughed together. I can't imagine how uncomfortable it must've been sitting in those pants for another hour before he dropped me off, but he sure looked happy! When I got home that night, I diddled my pussy silly, cumming silky wet all over my fingers. I was so curious I even tasted my fingers afterward. It was sweet and sexy. I wanted Jimmy to kiss me there, even though I was nervous he wouldn't like it."

While Tanya and Trinity bump and grind their way around the dance floor, Ansley and I grab a quiet table in a corner. Imagine this sweet, little blonde dressed as if she were going to Bible study in a loosely form-fitting, pink dress and a black and pink cardigan, her hair falling over her shoulders in soft, golden waves.

"That night wasn't long ago, and afterward, I decid-

She's craving a second cock.

ed that I wanted to have Jimmy inside me. But you know," she says, her smooth forehead furrowing into an adorably worrisome scowl, "I'm a virgin. I wanted to stay a virgin. I don't think sex is dirty. I love it! I crave it! But it means something to me to be able to give my husband something that no one else has ever had or will ever have. I rationalized. I masturbated," she pauses here, giggling, "and I started experimenting, using a thin vibrator to play with myself. I let my

cunny do the job of lubing, and from the moment I was able to get the tip of it inside my rear end—well, I knew that I was going to see if Jimmy was game."

But Ansley was worried.

"We had been friends for a long time, and grown up together—especially sexually—but I wasn't sure if he'd be grossed out or turned off by the idea of putting his thing in my butt," she laughs. "I wasn't sure if he'd understand why I wanted to do that, but not have regular sex. He knew the way I felt about staying a virgin, though, so I figured a really wild night of fooling around—NOT in

A virgin that loves anal sex!

a car—might be the way to go.”

It was easy, really. Ansley’s parents trusted Jimmy.

“I didn’t have to lie when they went out of town, which I wouldn’t have done anyway, ever. So I told them he’d be coming over to the house to watch movies with me. And that’s how the night started.”

Before long, they wound up in Ansley’s roomy, full-size bed, kissing and petting and touching amid her silky pillows and well-worn teddy bears.

“It was amazing having him up in my bed,” she says, dreamily. “We were naked! I could see his gorgeous body in the glow of my night light, and even though I was a little embarrassed about him really seeing all of me at once, I could tell he liked what he saw. My nipples were so hard, my little, blonde pussy so wet. It was wonderful spreading my legs and letting his fingers really touch all of me, sliding up inside me and playing; nothing at all like making out in a car. He made me cum right away, touching my hard, little nubbin and wiggling two of his fingers up in my hole.”

Then Jimmy rolled onto his back and Ansley did something she’d always wanted to.

“I sat on his dick!” she squeals. “Not with it inside me, but just sliding it up and down in between my pussy lips. They were so wet from my orgasm. Jimmy put his hands up on my little boobies and pulled on my nipples, and I was very careful so he didn’t slip inside me. I almost had another orgasm from the friction and the excitement, but a few seconds later he was spurting all over his belly. I could feel how hot and creamy he was on the parts of me that were rubbing up on his cum. Very, very sexy!”

She reached a finger down, coated it in his cum and brought it up to her lips for a taste. Jimmy was transfixed watching her.

She turned on her back and the boy who’d never been close-up to a pussy before (or so she thought) dove right in, tongue first.

“He licked me, sucked me, put his tongue in my hole and in about three seconds I was cumming again! I was so excited, I sat up and kissed him and said, ‘Will you put it in my bum?’ Then, before he could wonder what I meant, I turned on my belly and stuck my little rump in the air, teasing his cock with it. My ass was so wet from everything that had gone on before. He took the head and rubbed it against me. I pushed back. He pushed forward and then—as my fingers began to work my little button, he was in me! Just a little bit. I think both of us were afraid to push too hard, but he

was in! And just a little bit of movement was all that was necessary. As we began to cum together, I eased off of him and screamed just a little as I climaxed. He sprayed all over my tush. It was a night to remember. I lost my virginity in one way, but in the other, I’m still pure. It’s a perfect situation for someone like me.”

No Man’s Land

For Tanya, holding on to her virginity (at least in the traditional sense) isn’t so much the issue.

“You know,” she jokes sarcastically, “there are members of my own family who think that because I’m a lesbian—in the truest sense, since the only contact I’ve had with a boy was an innocent kiss during spin-the-bottle—that I’m still a virgin. The only sex that counts is the kind that happens between a man and a woman.”

She pauses, rolling her eyes at a generation who, at least in this case, means well.

“Don’t get me wrong,” she says. “They love me and accept me and my girlfriend, Janine, but at the same time, they just don’t get it. Some of them still think this is a ‘phase,’” she scoffs, making air quotes with her fingers.

“Whatever. It’s gonna be a long-ass phase,” she giggles.

Tanya wrote to me because she, like many young girls, had apprehension about ass-play.

I never saw any need or interest in taking it beyond the occasional tongue bath or “stinky pinky,” she wrote, adding a smiley face for good humor. Even though those things TOTALLY felt great and really amped up my orgasms on nights I was feeling a little adventurous (read: tipsy!) and would let Janine get away with touching me back there, it just didn’t hold any great mystery. But Janine—who loves topping me and was just dying to get me on my hands—and knees—was sort of relentless about it, and that turned me on.

I think I almost enjoyed holding her off. It was a game we played. In the end, I relented. For our one year anniversary, along with a really pretty necklace (the REAL gift), I got her a “gag” gift: this really nice strap-on harness, the kind where you can change out the dildo you use with it. I chose a “starter” dong for the insert. Not much of a cock if you’re a guy, I guess. But for me, for ANAL, it was perfect: not much more than a glorified butt plug. She could get behind me and pump away, and I could work up to something bigger if I liked it and wanted to...

“Janine spreads my legs really wide when she goes down on me,” Tanya says, her voice getting a little lower. The nipples on her high, small breasts harden

CATIE
Daytime
Tease

Catie is only a little bit of an exhibitionist...

Cute girl Catie showed off her perky tits and smooth, pink pussy in the great outdoors for our Sept. '12 issue. Now she's back and hotter than ever, publicly teasing her deliciously hairless cunny and asshole for your jack-off pleasure.

What's the best way a guy can please you, Catie? Give us some tips...

"I still haven't had a whole lot of experience, honestly. I'm only starting to figure out what my hot buttons are. My clit is definitely one of them! I like when guys kiss me a lot and finger me really soft to start, rubbing my mound in circles til I get really wet. I also love to get eaten out. Boys tell me all the time how sweet my cunny tastes and that really gets me going. One guy would put his cock slowly in me and then take it out, and then back in and out, over and over until it drove me wild. It made me cum so hard!"

Do you like going down on guys too, Catie?

"At first, I wasn't so sure [*Laughs*]. The first guy I was with didn't have the nicest cock and I wasn't even sure what I was doing, but luckily I've seen some pretty nice, hard dicks since then. And I've been with guys who are good at letting me know how I'm doing so I'm now officially a fan of the blow job! I just love the glazed over look on their faces when I put their dicks in my mouth, and I've even gotten pretty good at deep-throating, too!"

It seems that these days, a hairy pussy is harder than ever to find. With Brazilian waxes and razor-blades pulling away teenage pubes near the point of extinction, we thought we would compile some of the best bushes that have ever appeared in our magazine. There are red and fuzzy muffs like Amanda's and Holly's, dark and curly bushes like Monica's, well-kempt landing strips like Yulia's, and an assortment of furry pussy play!

There's something pretty special about a girl who's not afraid to show off her bush. Some girls give in to conformity and shave even when they don't want to, but hairy girls stick to their guns and we love them for that! We'd love to bury our faces in Koko's soft, inviting fur pie. Aimee's fuzzy pussy and asshole would look lovely glazed with cum and Diana's and Eva's beavers are readier than ever for cock!

visibly through the thin material of her halter dress and her cheeks flush pink and hot. "She eats me slow and real noisy-like, which I love. The sound of her wet mouth and my wet pussy gets me kind of hot, and the sounds I hear when she slides her fingers inside me and goes really deep just make me even wetter.

"Janine is a master at holding back," Tanya continues. "Very aware of when she's getting close to cumming and completely able to slow down, to pull back and tease and make it last even longer every time.

"She really loves to lick me," Tanya says. "You can tell she loves the sweet, juicy mango of my pussy—not just because she tells me all the time, but because you just know when someone loves what they're doing. When she teases me, I get so wet that my juices drip all down into the crack of my ass. Everything gets so slippery, and that's what happened on our anniversary night. I got so hot that when Janine told me to turn over on my tummy, I did. She spread my cheeks open and just started tonguing my ass, and I was just moaning into the pillows. It was a blur of everything down there just feeling amazing."

Tanya tells me that was when she began to relax,

ming!" she laughs. "I totally couldn't hang! Janine was laughing later, because once I calmed down, we got right to it again! I was craving it! I'm not ready to go up a size just yet, but man, am I glad I gave it a chance! I have to say it out loud to both the ladies and men reading this: anal was the hottest injection of excitement my sex life has had to date!"

Doubling Down

Trinity first tried anal with a boyfriend in college, but that was just what she calls "official" anal.

"Meaning his actual cock in my ass," she laughs. "Up until then, I'd had a few episodes of touching, licking...the usual guy-sniffing-'round-your-back-door stuff, trying to gauge whether you'd be into it."

In her email, she admitted he was a "beginner-level" test subject, describing him thusly: *great kisser, great tongue, but sadly, a teeny peeny.*

Trinity is a girl that pulls no punches, you see.

"I'm honest," she says. "Most people say they want you to be honest, but really they can't handle honesty. I have amazing relationships with friends and boyfriends who can handle real truth, and deal it out."

And the truth she spilled in her note to me summarized her interest in moving past the one-on-one action she'd been having since her sexual awakening to something more adventurous.

I get really turned-on watching porn lately, she wrote, but the stuff that gets my clit throbbing usually has two guys and a girl, or maybe even groups or couples swapping in all kinds of random ways. I have a fantasy of sucking one guy off with another girl. Someone with a huge cock! Getting both our hands around it and licking and sucking it together. I have another where I get to watch a couple have sex next to me while I'm with a different guy. I have a bit of a voyeuristic thing going, I guess.

Her most recent foray into the realm of more adventurous sexcapades involved two of her longtime "friends with benefits." After a fun night on the town, the three ended up

for drinks back at her place. A simple backrub started it out and then all of a sudden it became a hot make-out session. Before long, the make-out session evolved into "an all-out suck and fuck fest the likes of which I'd imagined a hundred times, but never in a zillion years thought I'd end up in the middle of!"

They never actually planned any follow-ups.

"But somehow, they kept happening. We'd all end up in the same place and as the night moved on, we'd look at one another and just know what was going to go down later. It was nice, really. Honest. Friendly. And totally fucking amaaaaaaaazing. We knew each other. We trusted each other. And as all three of us lay

and when she was close to orgasm, Janine held onto her hips, easing her up on her hands and knees.

"She told me to finger my clit so we could keep the fun going. I had to be careful because I was that close to cumming. Then I felt her rubbing the tip of the dong with a coating of warm lubricant; not because I needed it since my pussy juice had gotten me crazy wet, but just to keep everything hot and sexy. She pressed it slowly against the center of my asshole and I felt how it tightened and then relaxed, opening wide..."

With Janine allowing her to go at her own pace, Tanya tells me she worked her curvy, round ass back on the dildo until it was all the way inside.

"The only problem was that I was already cum-

Chloe's just a little bit of a dirty girl...

Smoking hot Chloe is no angel. With an innocent smile and a tight body like hers, she's never really needed to play by the rules. She knows how almost any guy would give up a limb just to be with her, and she doesn't shy away from using it to her advantage. We caught up with her washing up right after a sweaty, afternoon fuck session.

**Has it ever
been hard for
you to be this
hot, Chloe?**

"I don't want to sound like I'm full of myself, but being the 'hot' girl has given me a lot of advantages in life. I've been getting lots of attention from boys and from older men for as long as I can remember. I always had older boyfriends who would take me out to fancy dinners and shows and even on fun weekend getaways! They loved playing with my titties and cunny and I liked being with them too, so it always worked out. I really do love being so sexy."

**Chloe, do you
always like
to shower
after sex?**

"If a shower is available, like at an apartment, I'll usually try to take one. But sometimes the guys come in too and I never get clean. If the sex was really awesome though, I like walking around reeking of sex while I replay it in my head."

Nica will play when everyone's away!

Classic beauty Nica hasn't fucked many guys, but that doesn't mean she's a prude. She's constantly horny and loves to get a chance alone to masturbate. "The first time I touched myself, I had a pillow between my legs and it accidentally rubbed against my clitty. It felt amazing."

How often do you play with your pussy now, Nica?

"All the time! I like to wake up and rub my clit slow until I'm really awake and ready to cum. Sometimes, if there's a big gap between classes and I see a cute boy, I'll masturbate at school in the bathroom. And then I usually like to do it before bed, too. It helps me relax and sleep a lot better. I wish I could have sex more often but this is alright for now."

Tell us, what inspires you to touch that delicious cunny of yours?

"Lots of things. If I'm at school and I see a couple making out, sometimes I'll think about watching them fuck back in their room, or what it would be like to be between the two of them. Sometimes I'll just think about having sex with a hot celebrity. But I usually think of being with unattainable guys. Like my sister's husband or most of my friend's boyfriends. I guess I'm just a little naughty."

Don't let her demure smile fool you. This is not Jenna's first rodeo. She joined us for a solo performance in our Holiday '12 issue and even did a little lezzing out in the Aug. '12 issue. She's always got a great energy on set, and it's probably because she's so in tune with her sexuality. Jenna tells us she wishes she could have sex at least multiple times a day, and if her quota isn't met, she at least needs to masturbate daily.

So what kind of lucky guys get to date you?

"I'm a big believer in personality. If you can make me laugh and aren't cocky, we'll get along fantastically. I like having lots of fun, so I need someone that can keep up with me but is also laid back and knows when to just chill. Sexually, I'm submissive so I need a guy that'll take charge."

A close-up photograph showing a person's legs and hands. The person is lying down, with their legs bent and hands resting on their thighs. The skin is fair and the lighting is soft.

How can a guy keep that pussy of yours happy?

"I just need to put it out there that I am all about the clit. I am a total clit girl. A guy really needs to know how to hit my spots the right way. If you're fucking me, rub my clit or give me space to rub myself. I need a guy that can tease me right and get me fully turned on before he even thinks of putting anything in my cunny. Lap up my clit good and I'll be very happy."

ABBY
Hardcore
Hottie

Abby's got a wet cunny and an eager mouth that's hungry for some cock!

Sexy, svelte Abby loves getting visits from her out-of-town boyfriend. She knows he'll finger her tight, hairless pussy properly. It's just the thing to get her in the mood to give a nice, long blow job.

Abby's pussy needs some servicing!

"It's hard when your favorite dick lives so far away. I have to masturbate constantly so I won't cheat. I love a hard cock deep in my cunny, and when I don't get it daily, I sometimes stray. My boyfriend doesn't mind though as long as I still fuck him too."

HEIGHT: 5'9"

WEIGHT: 109 lbs.

BRA SIZE: 34B

BORN: April 14

LIVES: New York

How often do you fuck other guys?

"It really depends. My boyfriend can only come around a few times a month, so I have a couple of other guy friends I have on my list for nights when I get too lonely. And once in a while, I'll just flirt with a guy some place and take him home with me. It's kind of nice that I get to fuck other guys. Some people say a dick is a dick, but when you're with someone a while and you get used to the way their cock feels, a stranger's cock ends up feeling so much more incredible."

sionate—while Darren is down between my wide-spread legs doing the exact same thing to my snatch. I cum in less than five minutes. Every time. And this time, after Darren ate me, Joe got under me and while I sucked his big, beautiful cock, Darren hitched up my ass and gave me a rim job-oral sex combo that had me juicing again! I didn't know I could cum twice in such a short a time. I was moaning with Joe's cock deep in my throat, and that got him off so we came together. Instead of being spent, I just wanted more. It was Darren's

said he wanted to eat my ass..."

The licking and sucking drove her over the edge. She was dying to cum.

"I couldn't take the sheer nastiness of it all!" she laughs excitedly.

"It was crazy and hot. As I got closer and closer, I asked if he'd mind if I got up on my knees because I wanted him to lick my clit while Joe put his big ol' dick right in my butt!"

On her hands and knees, she held herself high. Darren's hands on her waist helped support her as she tilted her luscious round keister at an angle that wouldn't put Joe's balls too close to Darren's head. While his tireless tongue flicked and licked and tickled, she braced for rear entry. Joe was thicker, but she'd had some practice

turn after being so unselfish."

She positioned him on the bed like a king, his head resting in the pillows. Then she spread her legs wide open straddled him, and smiled.

"But instead of just impaling myself on his cock with my sopping wet box, I pressed my pucker down on the head of his cock. He looked a little surprised, but he was happy. And Joe helped me, spreading my ass-cheeks when I asked, guiding me down onto him. Most of all, I knew his face was right down there watching the whole thing. That made me crazy! I actually worked him all the way inside me and when my cheeks touched his balls, he exploded—filling my crevice with cream. I only wished I could have watched as it spilled back out and glazed his balls."

And just when she thought she couldn't get any more turned on, "he

now. She was seasoned. He was slow and measured, allowing her to control it, watching as her beautiful, hairless rim-licked expertly clean—slowly devoured his thick, veiny pole a few centimeters at a time. He felt the pressure, the unbelievably virginal tightness, listening to her wail and moan like a kitten in heat each time his meat slid a little deeper. From the depths of his dangling sac, he felt the wave of her orgasm coming. Her ass flexed involuntarily along with her pussy as it began to convulse with pleasure. Her ass was milking his dick like a cow. He was cumming. She was cumming. He pulled out very slowly, congratulating himself on the volume of her screams. She'd never been so loud. She'd never cum so hard.

"If you really want the job done right," Trinity says, smiling, "you gotta have the extra manpower." **18**

ROXANNE

Perky Titties

**Tell us
about your
first time,
Roxanne...**

"Well, it was kind of awkward, first off. I had a guy friend, more of an acquaintance really, who I'd been talking to now and again in class, and one day I wrote him a note telling him I wanted to fuck. He was up for it of course, so we went to his place and just kinda got it over with quick. He came real fast. After, I told him I'd see him at school and left. We kept it a secret and a few days later we met up again to fuck and kept at it until we graduated!"

That's pretty hot, Roxanne! Can you tell us about another experience you've had?

"I've had sex at an abandoned construction site. I met a guy there from school. Didn't know him too well, but I sucked his cock and then he fucked me doggie-style on the floor. So fucking hot!"

**Blow job, huh?
Do you like to
spit or swallow?**

"I'm definitely more of a spit girl. I give a pretty messy blow job. I usually either spit it out some place or let the cum drip down on my chest."

per day like an erect and horny motherfucker. She's why I love porn. Finally, Fawna has a hairy cunt like a 1980's Playboy Playmate.

This is my data sheet:

- Weight: 198 lbs.
- Height: 5'8"
- Goals: Lose weight and exercise.
- Passions: Heaven, Lindsay Lohan.
- Turn-ons: Spicy peppers, movies about European Absinthe and twins and triplets who process data.
- Turn-offs: Politicians, texting while driving and Jane Fonda.

I resolve in 2013 to drink and to masturbate. I respect my elders, this includes Ronald Reagan.—R.M., Lake Jackson, Texas

Dear R.M.,

Congratulations! You just wrote one of the most interesting letters we've had the privilege of publishing. We're happy you enjoyed our photos of Blakely.

We're also glad you enjoyed Ava and Fawna. You can watch some hardcore videos of Ava getting a good dicking in the movie Cotton Tail 2 (order on page 9).

Sexy Brit Fawna and her bush were featured in the Aug. '12 issue of 18eighteen. Please keep respecting your elders and good luck on your resolutions!

Cute and Fuckable

Dear Virgin Territory,

I really enjoyed last month's issue

of 18eighteen. At first, I wasn't sure what to make of Ava, but she has really grown on me. She makes me endlessly horny every time I see her. In fact, she's made me cum so many times I wound up buying her movie, *Cotton Tail 2*. She has this stunningly innocent smile, and then I look down and see her meaty pussy, and it's like everything is right with the world. She's truly magnificent.

Luccia was next in the magazine and I just want to eat up her cooch. She's also got a big ass for such a little girl. She looks so different in that hardcore video on your website where she fucks that teacher, but of course still really cute and fuckable.

Odette was kind of a surprise for me. I guess like Ava, I wasn't sure how I felt about her at first. But she has a wonderfully pink, little pussy, and I love her pencil eraser nipples! I'd love to lick and suck them while she fingers herself. The photos on pages 79 and 83 are prime examples of her best attributes. I don't usually go for platinum blondes, so this is why she was a surprise. I shouldn't judge so early though! She was still great at making me cum hard. Is there anywhere else I might be able to find her? Especially some XXX? Thanks!—S.V., Glasgow, United Kingdom

Dear S.V.,

We're so glad you enjoyed Ava, Luccia (in the UK version) and Odette's sets in

our March '13 issue. Currently this is the only set Odette has shot for us, but we hope to see more of her in the future!

Tantalizing Titties

Dear Virgin Territory,

Linda has the most perfect tits out of all the girls in the March '13 issue. Not going to lie, I wasn't too impressed with her at first but I was happy to see a busty girl in *18* magazine. I think there should be at least one in every issue. She had really nice nipples too, so that was also great.

Fawna has a great, perky rack too. She's such a classic beauty. She's the kind of girl I'd want to take out on a nice date. She seems smart and sexy and classy, and that's hard to find in just one girl. I would love to suck on those B-cups of hers.

Sage was another girl I came to. I really like the underwear she's wearing at the beginning and the photos of her slowly taking them off. She has a really sincere smile.

Jewel made me cum hard and some of it wound up sticking up my magazine (the photo on page 94 is now permanently ruined unfortunately). I really love her eyes and the slutty outfit she's wearing. She reminds me a bit of the actress Christina Ricci. The cum shot photo is definitely one of my personal favorites. I love the cum drops on her tiny chest.—N.K., Chicago, Illinois

We think Linda's tits are most definitely a sight to behold!

Lara squeezes out milk from her beautiful teen tits!

Dear N.K.,

Sorry to hear your magazine is ruined, but you can always purchase a new, unsoiled copy on page 11 or at eboob-store.com. While many of our fans prefer more flat-chested girls, we never fail to recognize beautiful, busty teen girls when we find them. We'll surely have more girls with B- and C-cups in the future, so keep reading 18eighteen!

Special Requests

Dear Virgin Territory,

For years now, I have been one of your most loyal fans of 18eighteen and its sister websites, NaughtyMag.com and ScoreHD.com. I have also purchased just about all of your 18eighteen DVDs. You have for the longest time (and still do) produced the highest quality products in the industry, and your teens especially are some of the hottest around. I appreciate seeing some of the most beautiful facials and creampie images imaginable, and that is what keeps me coming back to your magazines and DVDs. I do have a few requests that I am hoping you will be able to honor in your magazines, especially 18eighteen:

- In the Feb. '13 issue of *Naughty Neighbors*, you featured magnificent Lara and in her photo shoot were pictures of her nipples lactating. I would like to see more of this.
- Feature pregnant teens.
- Feature teens with tampons in their pussies (I believe there were shoots of

this nature in the past).

• A huge fetish of mine is seeing a woman urinate. Please feature teens urinating (I believe this was also featured in the past).

Basically, I would like to see *18* raise the bar a little bit and make the magazine even hotter than it already is. Please let me know if any of the above can, in fact, be done. I would greatly appreciate it. Thank you so much in advance. Sincerely—M.F., Camp Hill, Pennsylvania

Dear M.F.,

We love getting input from big fans like you! We'll certainly take your suggestions into consideration. I don't want to make any promises, but there's a good chance at least one of those requests may come true sooner than you think.

Coquette Odette

Dear Virgin Territory,

That blonde, little nymette, Odette, is really something else. I love when you have new girls and this one just really had me jerking off more than usual. She just has such a coy look to her, like you know she's thinking naughty things but would never actually confess that she was. Can we see more of her in the future?—J.Z. Alpharetta, Georgia

Dear J.Z.,

Odette is a charmer. We hope she'll pose for us again in the future, but for now enjoy this photo!

SINDY

Cum Braces

Sindy is a brace-faced nymphette!

Sindy may look sweet and innocent, but she's also a sexually-charged teen that loves to suck and fuck! She's about as open-minded as you can get. She's had threesomes with girls and guys, and in this pictorial, she even takes a nice, big cum load to the braces.

Would you say you're a kinky girl, **Sindy**?

"I'd say I'm at least kinkier than most girls my age. I hear so many of my guy friends complaining about how their girlfriends won't try anything fun or adventurous in the bedroom and how some of them will just lie there. Meanwhile, my favorite position is reverse cowgirl and I'm all about experimentation! I try to have sex at least two or three times a day, and if not, it's my Hitachi to the rescue! I can make myself cum up to six times in a row. Plus, it's just good for you to masturbate often. It's my favorite way to relax—just me and my favorite toy going at it till my eyes roll back!"

Wow! We love you already! Please tell us, are you into any anal play?

"Oh, you fucking bet I am! I love to get my asshole licked really good, and it's great when a guy puts his finger in my butt while we're fucking because then I know he might be into anal sex. Some guys don't like it, but the ones that do—those are the ones that make me cum the most. Anal sex is just another awesome way to fuck!"

Are there any fantasies you're dying to try out?

"I'm really into older men. I love when a man has salt-and-pepper hair and a few crow's feet. It makes them look distinguished and sexy. I have a naughty fantasy I'm dying to try, but I haven't found the right older guy to act it out with. I want to wear pig-tails and maybe have the guy watch me fingering myself to sleep in my bed. In the fantasy, the guy comes in quietly and starts playing with my cunny under the sheets until I cum. Then afterwards, it's full-on fuckathon time!"
